

5th & 13th Agincourt Fall Camp

November 23rd to 25th, 2018

We have scheduled our Fall Camp for the weekend of Friday November 23rd to 25th at Woodland Trails. We will be staying at the **Elmview Lodge**. Elmview Lodge is a heated facility with bunk beds, a kitchen and indoor washrooms. Very civilized. This will be a fun weekend where we can work on our camping and outdoor skills.

You are responsible for transporting your child to and from camp. Please consult with other parents about the possibility of carpooling – if you carpool, please make sure that everyone exchanges cell phone numbers.

Drop off on Friday at Woodland Trails is any time after 7pm. Please make sure your child has had at least a light supper on Friday night. We will be eating late on Friday evening, with a mug up just prior to bedtime. Pick-up on Sunday is between 1pm & 2pm.

We will not have time to check your child's personal gear or equipment. Please ensure that your child brings several changes of clothing, indoor and outdoor footwear, jackets/mitts/hats appropriate for the weather and sleeping equipment. We must be made aware of any medication or food allergies.

Health Cards are to be placed in your child's uniform shirt pocket.

Please contact me on my cell phone if there are any problems. (416 - 275 - 7463)

The fee for this camp is \$50 per Cub. Your reply is required by Wednesday November 14th. Equipment lists and maps will be given out on the November 21st. **Our Cub Pack will provide plates, bowls and cutlery (your child can bring their own, if they wish).**
